

GUESS HOW MANY MONKEY BISCUITS

Fill a jar with Monkey Biscuits you can get from your Zoo Kitchen or Primate Keepers.

A plastic one is best for safety.

Print and tape or glue on labels below.

Have your visitors try to guess how many monkey biscuits are in the jar.

Play it as a "higher-lower" guessing game.

When people guess the right answer they sometimes ask "What do I win". We have fun and tell them they get to read a silly orangutan joke! (See Joke Jar link)

MONKEY BISCUITS
